## President's Comment 7

Dear Colleagues

### SPANZ AGM

In my 29<sup>th</sup> February Comment I mentioned the excellent programme that the sub-committee of the Executive had put together for our Symposium in Nelson. Integral to our Symposium is the Annual General Meeting of the Association.

As you will recall in 2007 the members passed the motion requesting that the Executive move forward with the process of becoming a Union. We have progressed this to the point where at the 2008 AGM members will vote for changes to the Rules to enable SPANZ to have Union status.

The Agenda and information about the Rule changes are contained in the attached papers, together with my Annual Report. The Annual Accounts will be emailed early next week. Hard copies of all of the papers will be available at the beginning of the AGM.

This is a significant time in the 21 year life of the Association and I encourage all members to participate.

Have a safe and happy Easter break – a time for reflection and renewal.

Regards

**Peter Gall**
